

New Student Ministry Intern!!

We are excited to welcome our new Student Ministry intern to the team! You may already know Danielle Boyle because she's one of our own. Danielle grew up in the church and was a member of the C@C youth group as a teen. After earning her degree from Colorado State, she's back and looking to pour her life into our youth!

Personally, I'm very excited about what Danielle brings to our youth team. She has a deep passion to see student's lives changed and unique skills that will cause an immediate impact on our church, our youth and those outside of the church. Please be in prayer for her as she dives into this new endeavor...it's called an "internship" but that doesn't mean "easy." She'll be a large part of what will make our student ministry tick and she will need the church's prayers to under-gird her as she pours out herself to change the hearts and minds of students in the area.

Welcome to the team Danielle! -Dan Self"

"I want to thank the church and Dan for this awesome opportunity! It is ironic for me to be in this position however I really feel it is my privilege to be able to give back what this church has given to me. I love your kids, I want to see God move in their lives, and look forward to what God has in store for all of us this next year!"

UPCOMING EVENTS - DON'T MISS OUT ON THE FUN!!!

VOLITION HAPPENINGS FOR THIS SUMMER!!!

We are planning some awesome things for you guys this summer so put these dates in your calendar and prepare yourselves for a summer of fun!!

David Crowder Band Concert!

On July 3rd Volition will be headed up to Olathe to see David Crowder Band. For those of you that are out of the loop on this guy...he puts on an awesome, high-energy concert that will sure to have you on your feet! This concert starts at 5:30, the venue will have a carnival as well as food and rides. As a bonus...the event is FREE!! If you are interested talk to Dan or Danielle so that we can get a head count on how many are coming. More info to come.

Attention all high school students:

Every week on Wednesday from June 10th through July 29th Volition will be heading up to Glenwood Springs for Jazz in the Park. It's a fun, free concert outside in Two Rivers Park. It's a great place to hang out, listen to music and touch base with fellow Volitioners! We will be driving up every week so if you need a ride meet at the church parking lot at 6:00 PM. If you live in Glenwood, meet us at Veltus Park at 6:30 and we'll all walk over to Two Rivers Park as a group. This is a great opportunity for you to bring a friend who doesn't attend C@C since it'll be lots of relationship building and hang time without the dreaded horror of... "church." We will also be providing food so come hungry!

Middle School Students!

Every week after church we are planning what we call the Post-Church Party! It will include everything from tubing down the river to doing some good for the community. Each Post-Church Party will run an hour and 30 minutes to 2 hours depending on what we are doing. It all kicks off next Sunday, June 28th, and we will be having a BBQ so make sure you stay after church for some fun. Parents, your student will be ready for pick up around noon.
